License Exp. Date

I am at least 21 years of age.

I certify that my license is not invalid, suspended, expired or revoked. (Required)

You represent that you are a capable and validly licensed driver. You agree that we have the right to verify that your license has been validly issued and is in good standing; and that we may in our sole discretion refuse to rent to you if your license has been suspended, revoked, otherwise restricted in any way. We reserve the right to deny rentals based upon information about your license status or driving record provided by the Motor Vehicle Department of the jurisdiction that issued your license or any other reliable source in the business of validating an identity. Except where otherwise specifically authorized by applicable law, only you, or, if you rent from us under your employer's corporate account agreement, your employer or a regular fellow employee incidental to business duties may drive the vehicle, but only with your prior permission. The other driver must be at least 21 years old and must also be a capable and validly licensed driver.
